PREVIEWS FROM THE EDITOR

DO... OR DO NOT. THERE IS NO TRY.

Yoda was trying to give Luke Skywalker a Jedi pep-talk when he uttered that famous line in 1980's *The Empire Strikes Back*. And he learned something from it. Applied to real life, it's good advice, but sometimes the line between "do" and "try" gets blurry. I got my initial order numbers back for *The GunHAND* the other day, and they were (as I suspected they would be but hoped otherwise) disappointing. It's tough to get noticed in the field with so many titles new and old trying to find their audience. I guess, when all is said and done, we "tried" by "doing". And we'll have a comic book we can be proud of.

I'm hoping that *The GunHAND* finds its audience once people see our first issue and Matthew Plog's fantastic artwork. I think he's one of the most talented artists I've encountered, and I'm lucky to have him on the book. But now I have some brainstorming to do with my publisher at American Mythology, and hopefully we can find a way to finish the story, maybe not in as many issues as I first plotted, but in a way that gets some of the better story beats and set pieces that I envisioned plotting out Phase 1 of the series into a smaller run of issues. Who knows? It could all turn around after issue #2. All it would take is for us to find our audience...

There is, of course, one facet of comics that has no trouble finding its audience — that being the best-selling MANGA category. And yes, once again we're dedicating the issue's theme to *MANGA MONTH*! We've been celebrating *MANGA MONTH* in ***PREVIEWS*** for years now, and one thing is for certain, Manga just keeps going and going with no end in sight! No matter what genre you're interested in, from Comedy and Romance to Sci-Fi and Horror, there's a Manga title for you! I'm a big fan of *Chainsaw Man*, *Kaiju no. 8*, and *Mobile Suit Gundam: Thunderbolt*... but I'm always checking out the dozens of new titles each month for something new. And you can too, starting on **page 210** of this issue with our *MANGA MONTH* spread of recommended titles! Then, you can check out the rest of this issue, including our MERCHANDISE section for the lates Manga- and Anime-inspired toys and collectibles, direct from Japan.

FREE COMIC BOOK DAY is a mere month away, on May 4th, the first Saturday in May! If you haven't done so, be sure to check out our *FCBD24* section to review all of the free comics (and Exclusive merchandise!) available on the day. And, oh yeah... *May the Fourth Be with You!*

eMoviePoster February Auctions Realize $484K

Throughout February 2024, eMoviePoster hosted three auctions that offered regular US movie posters, international posters, lobby cards, non-movie material, limited edition art prints, signed items, and more. Collectively, the auctions totaled $484,708 in sales.

The top highlights were a *Star Wars* Mondo art print by Olly Moss that sold for $3,726, a *2001: A Space Odyssey* art print by Kilian Eng that realized $3,500, and a *Monster of Piedras Blancas* insert that brought $2,365. Highlights also included a *Goldfinger* limited edition art print signed by artist Todd Slater for $2,101, *How the West Was Won* three-sheet for $1,850, *Star Wars* Awards British quad for $1,340, and *Yellow Submarine* three-sheet for $1,024.

The Brief Tale of the Red Rube

For just one year, Red Rube graced the pages of *Zip Comics*. His introduction was familiar – orphaned and unsure of his identity, like many other superheroes. He knew that his name was Reuben Reuben and that both his parents were deceased, but what he didn't know until fleeing the orphanage and hiding out in a nearby castle was that he descended from a long line of superheroes. He was given a magic elixir that allowed him a few moments of conversation with his deceased relatives, and each imparted their distinct superpowers to him.

Unfortunately, Red Rube wasn't unique enough to sustain an ongoing storyline. Many found his several similarities to Captain Marvel off-putting. Both were cub reporters (Reuben in print, Batson in radio), and both used a magic phrase to transform and gain powers (Reuben had "Hey Rube!" while Marvel had "Shazam!"). In the end, Rube was in *Zip Comics* #39-47 between 1943 and 1944, then he was never heard from again.

Pick up these books to learn more about Wayne's *Indie Edge* style!

- **Work-Life Balance GN** *(See Page 280!)*
- **Worlds Apart** (*Published by Difference Engine*)
- **Mr. Memphis** (*Collaboration with Ben Chee*)

Please tell us a bit about yourself!

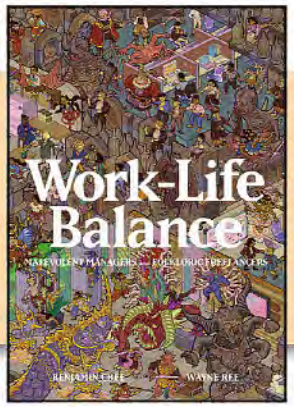

I'm a writer from Singapore who's worked in a couple of different mediums. Together with Ben (Chee), I co-created the prose/comics hybrid, *Work-Life Balance* (*See Page 280*), which was named *"Book of the Year"* at the Singapore Book Awards 2023. I've also written comics, podcasts and even a game. I live with my amazing wife and unquestionably the cutest cat in the world.

What are your favorite projects you've contributed to over the past decade?

Is it a total cop-out to say that they're all my babies and I love them equally? Yes? Okay, fine. *Work-Life Balance* is the big one, of course. It feels like the culmination of years of work as a writer — from getting better and better at prose to learning how to collaborate with artists, and really appreciating the storytelling strengths in both mediums. There's also *Worlds Apart*, a comic that I worked on with Nurjannah Suhaimi. *Worlds Apart* was created as a tool that could help people initiate difficult conversations about mental health with their friends and family. Since it was published, at least a couple of people have told me that it's actually worked.

What are you currently working on?

I'm writing my first novel, a dystopian sci-fi set in a world that's almost completely submerged after a devastating global catastrophe. So, you know... *light-hearted stuff*. Ben and I are also working with a Singapore-based studio on an animated series based on *Work-Life Balance*. And I'm always writing new episodes of *Ghost Maps*, the narrative horror podcast that I co-created with Kyle Ong.

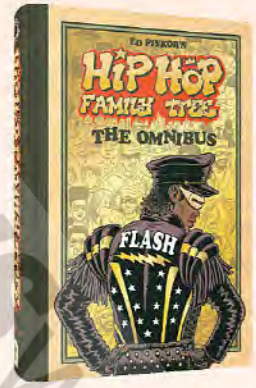

INDIE EDGE

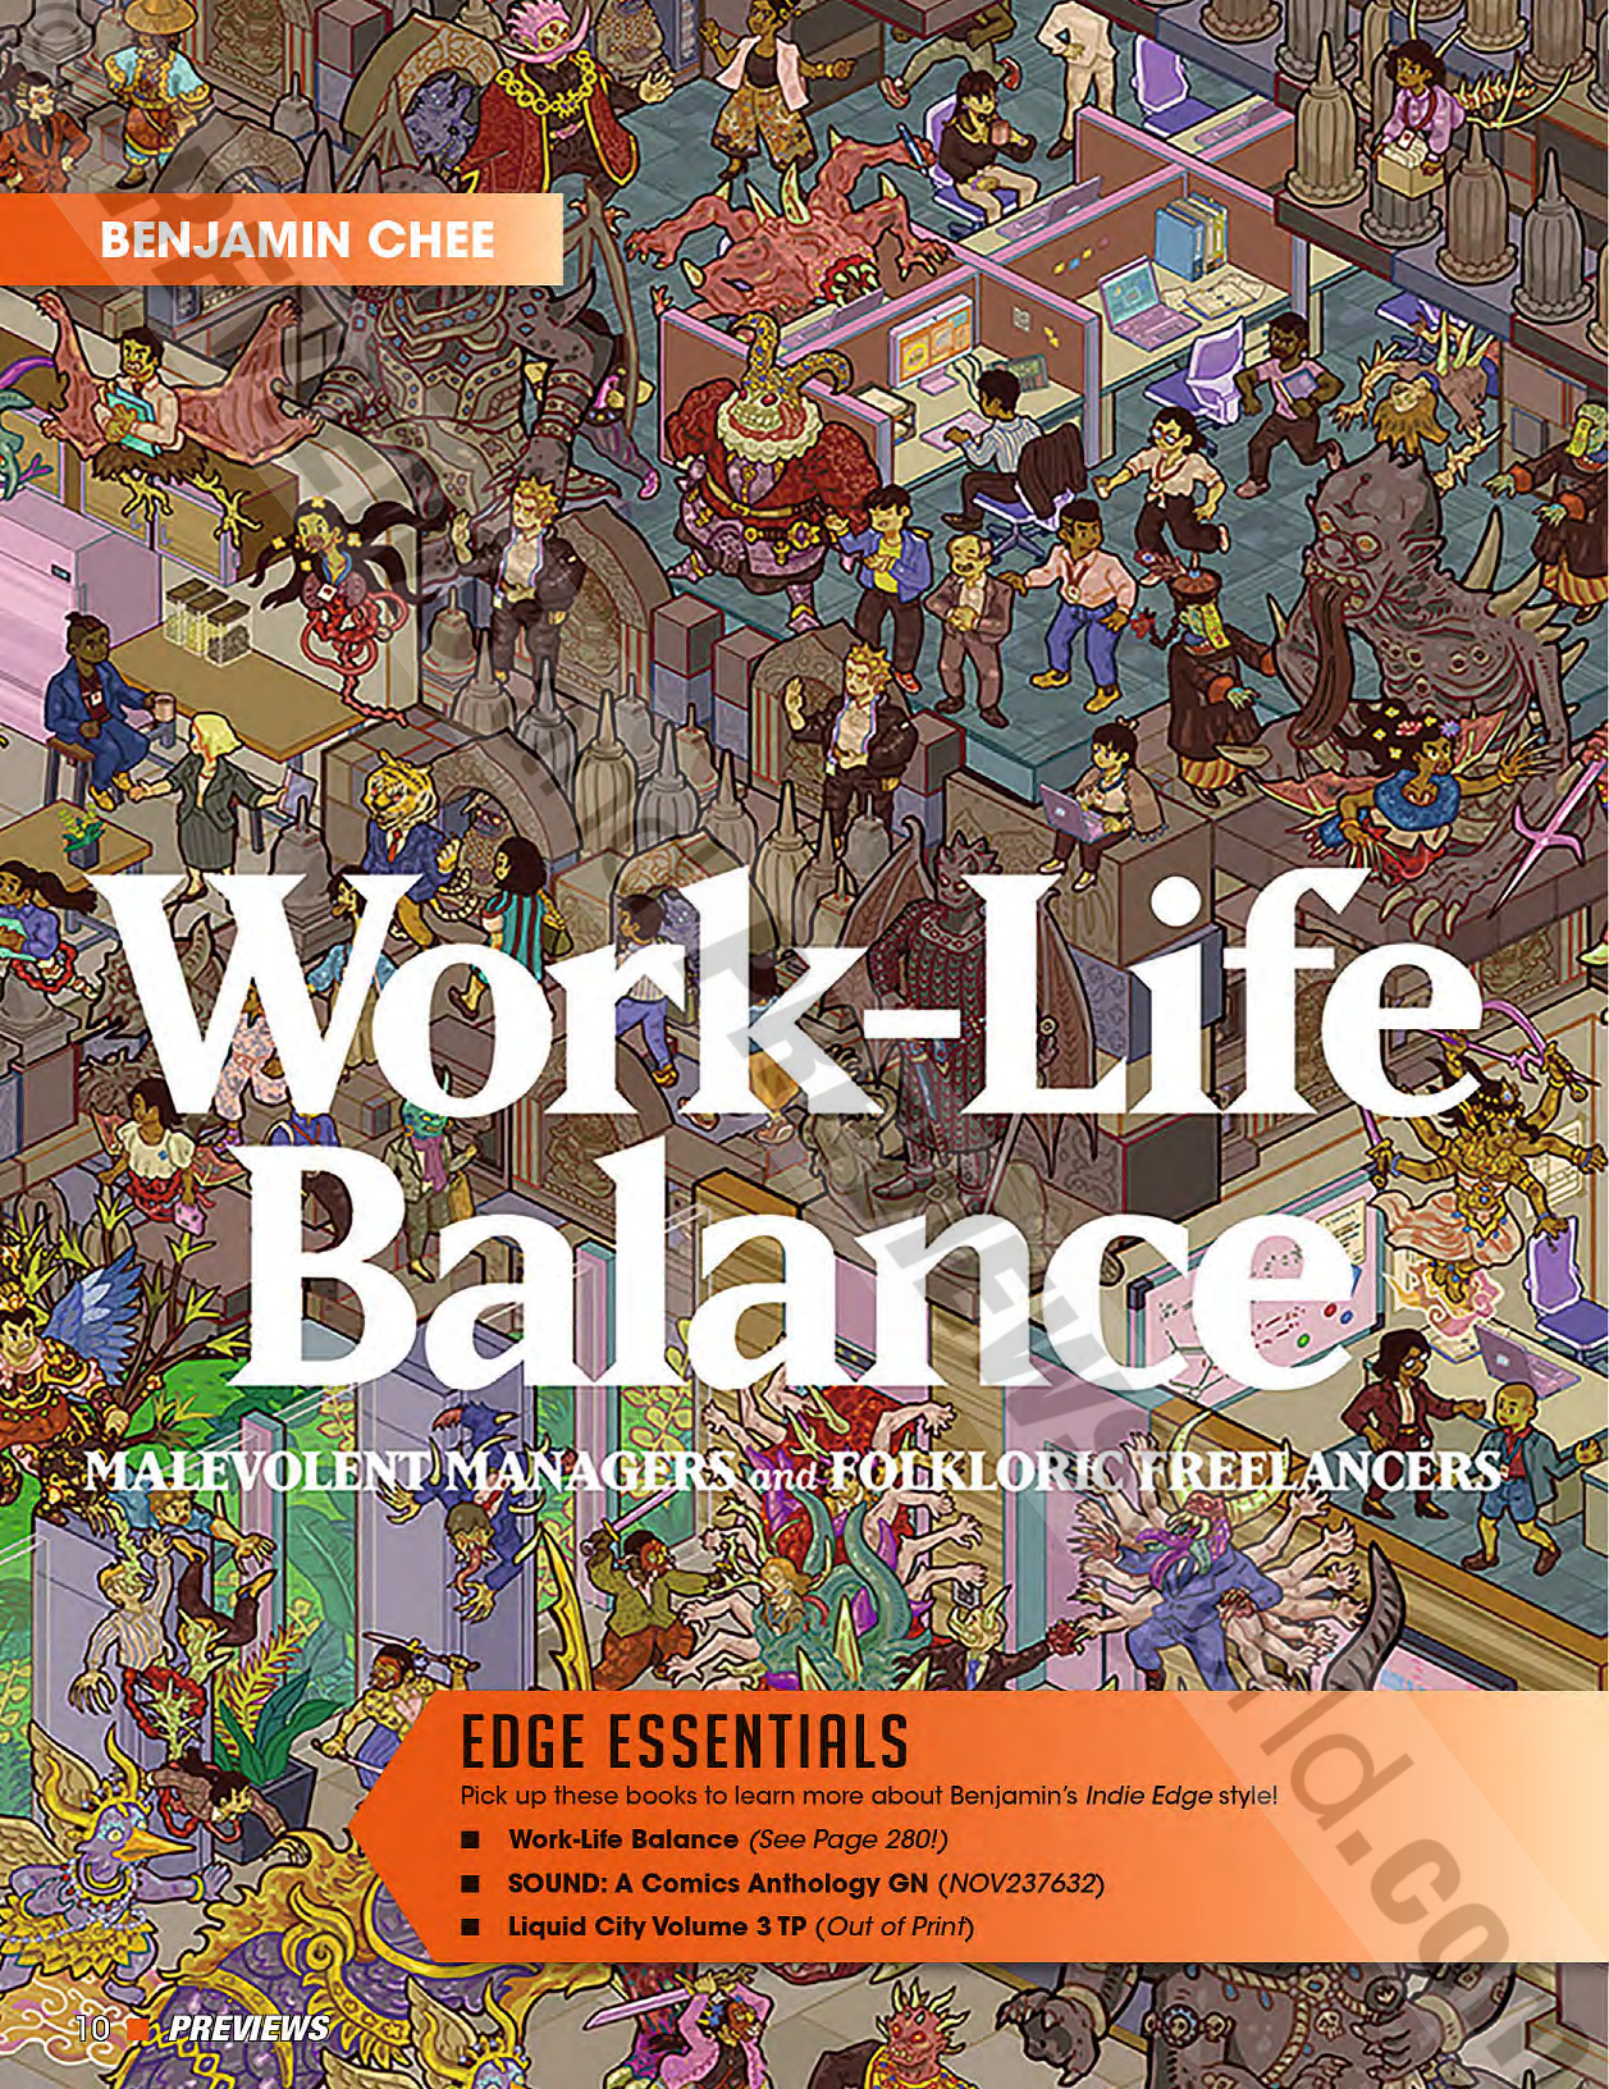

What fun titles are you reading?

I've just cracked open the omnibus edition of Ed Piskor's *Hip Hop Family Tree* (HC / AUG231936). I've only read bits of it here and there over the years, so I'm really excited that I can finally dive into the whole thing. Becky Cloonan and Tula Lotay's *Somna* (*See Page 304!*) is such a darkly beautiful marriage of two brilliant creators. I've been mesmerized by it from the moment I read their short story in *The Devil's Cut* (*Cover A* / JUN231789) and, whenever each new issue was released, I dropped everything else to devour it!

- **Work-Life Balance** *(See Page 280!)*
- **SOUND: A Comics Anthology GN** (*NOV237632*)
- **Liquid City Volume 3 TP** (*Out of Print*)

Please tell us a bit about yourself!

I'm a food-loving artist who's worked in storyboards, animation, and games. Along the way, I picked up an interest in creating animated pixel art loops and comics. Making comic 'zines was how I met Wayne Rée. I'm also terrified of horror stories, so I still wonder to myself how I drew all of the ghosts and spirits in *Work-Life Balance* (*See Page 280*)!

What are your favorite projects you've contributed to over the past decade?

Work-Life Balance is certainly one of my longest projects in comics. It took a lot of care and stamina to keep going. That wouldn't quite be possible without the passion and love we have for it. The way *Work-Life Balance* turned out — being a dialogue between two mediums, interweaving the prose and comic stories, getting to be experimental, and delivering that visual literary experience — made it all worthwhile!

What are you currently working on?

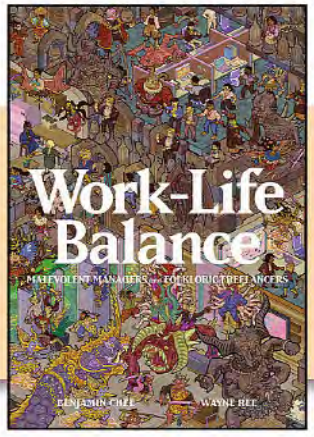

Yeah, we're thrilled to be working on developing the animated series! While that's going on, I'm back to working on #PROJEKMANDALA, my series of *wimmelbilder* illustrations depicting a fantastical Southeast Asia. It was set aside while I busied myself on *Work-Life Balance*. I'm looking forward to creating a couple of short stories along the way to recharge and pace myself after a long book, too. I'm also working with *Pathfinder 2E* writer, Tan Shao Han, on his new game, *DA XIA*, that's set during the Japanese Occupation of Singapore.

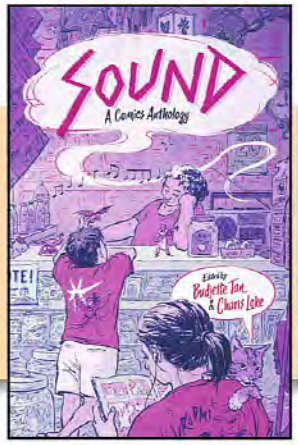

INDIE EDGE

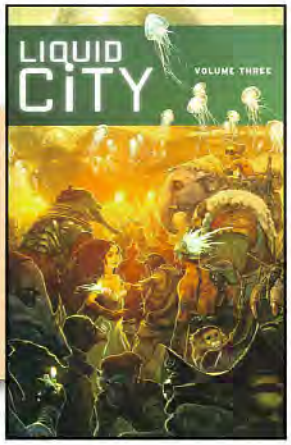

What fun titles are you reading?

During the recent festive season, I finished *Lunar New Year Love Story* (NOV231478). Its depiction of lion dances, drawings of zodiac animals, and the story really resonated with me. I've also recently gotten my hands on the latest *Delilah Dirk* (*Vol. 1: The Pillars of Hercules* / JUN181773) book, even though it's been out some time, and I'm looking forward to continuing on that adventure! *March Comes In Like A Lion* (*Vol. 1* / NOV222074) has a special place in my heart, so I'm glad that it's now available for English readers!

USER'S GUIDE

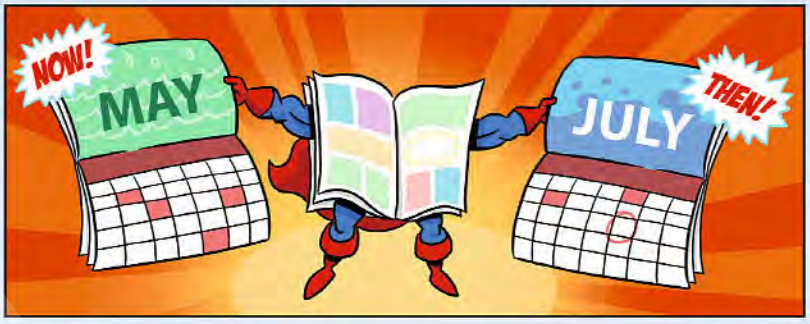

There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

Learn How to Use *PREVIEWS* to Order From Your Comic Shop!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.

The most important aspect of ***PREVIEWS*** to remember is that items **solicited in the catalog are anticipated to ship 2-3 months later (or more)**. For example, if you found a comic you wanted in the **May** issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in **July**. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

TITAN COMICS

WATCH *DOCTOR WHO* ON BBC AND IPLAYER IN THE UK & DISNEY+ WORLDWIDE MAY 2024

This June, Titan Comics returns to the TARDIS for more adventures in time and space in ***DOCTOR WHO: THE FIFTEENTH DOCTOR***. Following their debut issue for **FREE COMIC BOOK DAY**, the series is helmed by writer **DAN WATTERS** (Loki, Homesick Pilots, Sandman), and artist **KELSEY RAMSAY** (*Dark Spaces*, *Joan Jett and the Black Hearts)*, and features the Fifteenth Doctor and his companion, Ruby Sunday.

We spoke to Watters about all things ***DOCTOR WHO*** and the upcoming series.

DAN WATTERS *DOCTOR WHO: THE FIFTEENTH DOCTOR*

Hello Dan! How did you feel when you got the news that you'd be writing the Fifteenth Doctor and Ruby Sunday for the new *Doctor Who* comics series?

Pleased. *Doctor Who* is an institution, and it feels like quite a feather in my cap as a British genre writer to take the reins in this corner of its story. The conception of the series was a stroke of genius. There's a person in a box that can go anywhere and anywhen. They're interested in things and want to help. You can tell any story with that, on any scale. It's why we've been able to do it for 60 odd years so far.

What *Doctor Who* stories inspired you when writing for this series?

The Beast Below was on my mind when I was figuring out a location. It's set on the Starship UK after humanity is forced to abandon Earth when the planet's bombarded with deadly solar flares. It set me to wondering whether anyone would have stayed behind. Someone always does.

What's it like working with series artist Kesley Ramsay?

I was over the moon when I heard Kelsey was on board. She's really rising to the challenge of everything I've thrown at her, including about ten different locales across time and space in twelve pages. And her characters are so full of life. The Doctor really feels like the Doctor under her pen.

***Doctor Who: The Fifteenth Doctor* features the chilling Cybermen, who have been terrifying viewers for over 60 years. What Doctor Who monster or villain are you most scared of?**

I think the Carrionites are fantastic. Space witches from before the dawn of time who can kill you with language. Lots of people have been killed with language, but usually it needs to be used to influence someone to do something terrible or stupid. The Carrionites cut out the middleman. I'd love to meet one.

If you could go anywhere in time and space with The Doctor, where would it be?

You know what, with all time and space available, I'd opt for interwar Paris. Fifteen would cut such a rug at the Moulin Rouge it could even get a smile out of Sartre. I'd love to walk through the middle of that era of frothing art and thought and cultural revolution. Either that or the end of time. Let's see what happens when the sun burns out.

Describe the Fifteenth Doctor in three words.

Outrageous.
Young.
Ancient.

Modern life has never been easy for Rocko, Filburt, and Heffer. But it gets even harder when Rocko's dog Spunky becomes an overnight internet sensation. Desperate times call for desperate measures and Rocko will do whatever it takes to win back his best bud's affection, even if it means breaking the law or facing childhood bullies at his high school reunion.

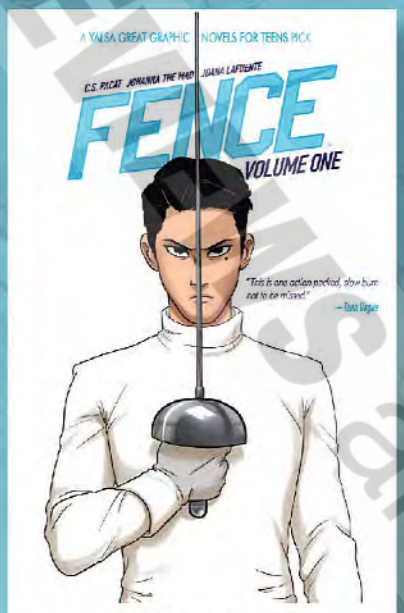

In *Rocko's Modern Afterlife*, in O-town's dystopian future, everyone's cell phone is glued to their hands, Heffer makes a living streaming video games online, and the latest app lets you avoid all contact with everyone else without even looking up from your gadget!

But even in the midst of this techno-utopia, there's something not quite right with Rocko's fellow citizens. While Rocko takes two weeks to chill and unplug from technology, the rest of the town seems to be going mad. When danger comes knocking at his door, the newly zen wallaby will have to choose whether to stay barricaded within his home or venture forth into a wasteland of mindless citizens. Don't miss out on the collected adventures of Rocko, Spunky, Heffer, and Filburt as writer **Ryan Ferrier** *(Mighty Morphin Power Rangers, Teenage Mutant Ninja Turtles)*, artist **Ian McGinty** *(Adventure Time, Welcome to Showside)*, **Anthony Burch** *(Borderlands 2)* and artist **Mattia Di Meo** *(Regular Show)* bring the *Rocko's Modern Life* family back to life! The Daughters of Drakulon return with a vengeance in June with an all-new tale of the Vampiverse!

Vampirella's daughter Lilith, now working for the Reality Corp., has received her first assignment: investigate an anomaly in one of the many threads of the Fabric where the Vampirella of that world has gone eerily silent. Upon reaching this troubled reality, Lilith discovers a world overrun by the spawn of Chaos, and a Vampirella beaten and broken by the forces she has sworn to combat. Now, it's up to Lilith to save this world from a monstrous evil and to restore Vampirella to the warrior of Order she once had been!

The acclaimed writing team of TOM SNIEGOSKI and JEANNINE ACHESON (*Vampiverse*, *Pantha*) reunite with artist DANIEL MAINE (*Vampiverse*, *Chastity*) for this exciting addition to the Expanded Vampirella Universe — featuring eye-catching covers from fan-favorites JENNY FRISON, LUCIO PARRILLO, JAY ANACLETO, JOSEPH MICHAEL LINSNER, and cosplay by JOANIE BROSAS!

SNIEGOSKI & ACHESON RETURN TO VAMPIRELLA! THE DARK REFLECTION OF THE FRANCHISE…

Tom and Jeannine, welcome back to the Vampirella mythos! We're sure some longtime fans may have been missing you guys during your brief absence, as well as some of the newer readers who loved your recent works like *Vampiverse*, *Pantha*, and *The Vamp*. How's it feel to be back in the saddle?

Tom: It's been a little while, yeah, but Vampirella is never far from our mind!

Jeannine: It's great to be back! Sometimes it feels like we never left; it's amazing how easily we just slide right back into Vampirella's world.

As we just noted, some of your more recent projects have featured a lot of Vampirella characters that are not exactly the one and only Vampirella that readers follow most often. As you turn the spotlight to other corners of the multiverse and to different iterations of Vampi, who will we be following in this story?

Jeannine: In this miniseries, we're focusing primarily on Lilith, the daughter of a Vampirella from one of the many threads that exist in the Vampiverse.

Tom: So, not only do we have a daughter of Vampirella, we have a Vampirella from

a world where Chaos has won the battle against the forces of good. This Vampirella is damaged goods, and it's up to Lilith to try and set her and this world right.

The *Vampiverse* series has been collected in a graphic novel that is now in print, but for those who may want to jump right into this series or could use a refresher, what are the key lore angles or non-spoiler-y plot points from *Vampiverse* that may be feeding into this new story?

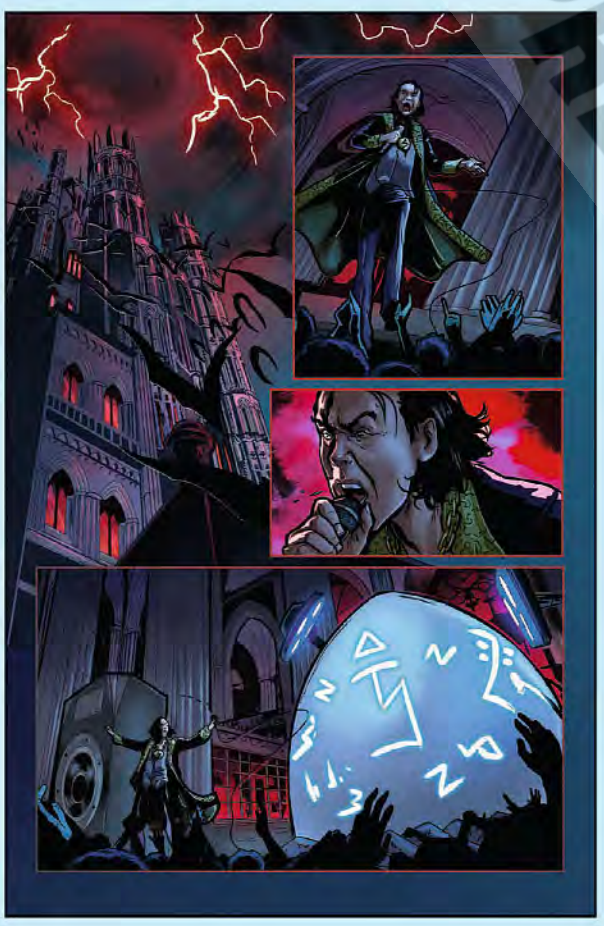

Tom: The whole Vampiverse concept is not as confusing as it appears. Basically, there are multiple realities out there in the Fabric of time and space, and each one of them has a Vampirella living in it, protecting that reality from all manner of threats. See? That's not so hard.

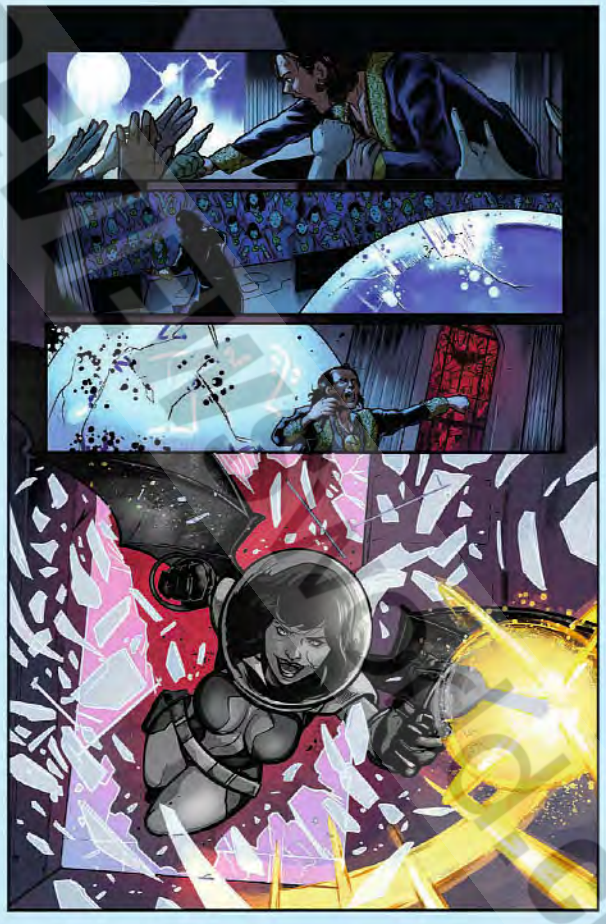

Jeannine: And this story features the aforementioned Lilith, who is a brand-new member of the Reality Corp., an organization that patrols the various realities, coming to the aid of any Vampirella who needs it, and ensuring that evil does not get the upper hand.

The story title on this new series is the ominous *Dark Reflections* — how do you two feel that subtitle reflects the narrative and character beats you're trying to share with fans here?

Jeannine: We love the title and think it really does reflect the story we're telling. There are many facets to Vampirella, and in this story we're meeting a much darker and troubled version of the character. This is a Vampirella who has lost everything —

who has been beaten — and it's fascinating to us to see where we could take a character like this.

Tom: And another reflection of the character is in Vampirella's daughter, Lilith, who is a version of the character shaped by the darkness of her past. But instead of being broken, she's bright and shiny and optimistic about the battle against the forces of Chaos.

This is another collaboration with artist Daniel Maine, following *Vampiverse* and *The Vamp*. How is it reuniting with him once more to bring your scripts to the page?

Jeannine: Daniel is, hands down, the best! He is incredibly talented and knows Vampirella and Lilith just as well as we do.

Tom: Daniel Maine is the ultimate craftsman. We're always amazed at his designs and layouts in regard to our scripts. Seriously, he makes the stuff that comes out of our heads look way more impressive than it seemed! We love working with him and look forward to our next collaboration.

After the unexplained disappearance of both Aphrodite and Hephaestus, the remaining gods of Olympus convene an emergency council to tackle the problem. Rejecting Hercules's outlandish idea that Hades might have returned, they dismissively send the demigod on another divine errand — this time to the city of Thessaly, which is under attack from an army of centaurs.

As Hercules and Galatea take on the hooved besiegers, Meg and Phil search for the source of their hostility — only to find that their main suspect has become the latest victim of the ongoing rash of supernatural vanishings!

The mythological mystery deepens in *Hercules* #3, inscribed for the ages by Emmy Award-winning writer ELLIOTT KALAN (*The Daily Show*) and *Gargoyles* artist GEORGE KAMBADAIS, and enclosed in covers from KAMBADAIS, MATTEO LOLLI, FRANCESCO TOMASELLI, and ALESSANDRO RANALDI!

Although Lion-O has the body of an adult, his accelerated growth means that his physical strength has outpaced his emotions, and he still has a lot of growing up to do before he can achieve the kind of maturity that every leader needs. Luckily, a seasoned warrior is ready to help him master his temper with some painful combat lessons!

In the aftermath of the Third-Earth-shaking events in the first story arc, Cheetara takes center stage for "Training Day," a special standalone issue written and drawn by guest author STEPHEN MOONEY (The Rocketeer: The Great Race, Half Past Danger), who also contributes a cover for the issue together with series stalwarts DAVID NAKAYAMA, LUCIO PARRILLO, DECLAN SHALVEY, JAE LEE & JUNE CHUNG, and IVAN TAO!

THIS IS FINE... AND DANDY AS CANDY!

Is Pixie questioning a life of candy carnage? Are things all GOOD with Sweetie's resident ninjette? Is she acting BAD in the name of GOOD? What's really on her mind as she gazes into the halo of the Strawberry Ice Moon deep in thought? Moonlight on that and more will be shed...

Sweetie calls a company SWEET MEET to update Candy Wolf, Pixie, Hansel and Gretel, Peter Cottontail, Jack Rabbit, and Honey B. (with Gummee Bear and Tinsel joining on video conference), about the GOOD news that business is growing faster than imagined, and plans for the "Fortress of Sweetness" are nearing completion. That's just Hatchy Milatchy! Soon, the entire world will know the name Sweetie Candy Vigilante!

Also on the agenda, and topping Sweetie's NAUGHTY LIST, is salty nemesis Bart Volgare. Still reeling from the "Sugartown Showdown," he confides to his girlfriend that Sweetie's "fairy tale wash-ups" (as he calls them) wiped out his entire A-Team, leaving him and his now disfigured henchman SUV as the sole survivors. SUV is literally speechless and scarred with a twisted grin on his face, unable to mutter a single word. He's seen some s**t!

Turns out Bart's main squeeze is a high-profile member of the news media, and he's got a scheme to expose Sweetie on live TV for being more than what she may appear to be on her sugary surface. Tales of bullet-eating ice-crystal skulls made from magical snow, exploding jellybeans and grenade easter eggs leave his sanity, or at least his sobriety, in question.

The NYPD learns two mysterious uninhabited islands, long since considered abandoned and dangerous, and within eyeshot of NYC's notorious jail on Rikers Island, have recently been purchased from the city by a "private buyer." Well, well — isn't that NICE!?

RIFTERS #1

(W) Brian Posehn, Joe Trohman (A/CA) Chris Johnson

Series Premiere. Please, Saran-Wrap your ass, because you're about to projectile-shit yourself right into the wild world of *Rifters*, where *Time Cop* collides with *Law & Order*, filtered through the Stupid McSmartsalot-Einstein lens of *Mr. Show*. Fenton and Geller are a couple of part-time Wisenheimers, full-time vice time-cops who suck at rule-following but excel at busting time-travel crimes. Unfortunately, their daily grind involves tedious police work—like chasing down douchebag influencers hellbent on live-streaming illegal transtemporal trips to 1920s Chicago to steal primo bootleg hooch. However, in a twist of fate, our heroes find themselves thrust into the heart of an inter-time serial homicide mystery, but not before things change, forcing our pair into the crosshairs of potentially lethal consequences. The stakes are high, time is of the essence, and Fenton and Geller are about to discover that playing with the time-stream isn't all flappers and jazz hands. Get ready for a high-octane, double-illegal adventure where the only sure thing is that *Rifters* is rewriting the rulebook on time-travel tales! (STL318728)

Series Premiere. Gerry Duggan and Garry Brown present a massive Double-Length First Issue of their groundbreaking new series! The sun set on samurai and gunslingers at roughly the same time, but our two leads didn't die off quietly. In the East, Asami, an Onna-musha warrior and female samurai, would rather die with her weapons than surrender them to a sword hunt. In the West, the gunslinger MacRaith follows his revenge to the bitter end and pays the ultimate price. The future lovers are mortally wounded a world apart and awake together in a purgatory ruled by a ruthless society of damned warriors. This one has it all—action, the dead, the dying, the undead, and of course... Romance. (STL318717)

WRITER: **MARCO B. BUCCI, ARMISTEAD MAUPIN, ISABELLE BAUTHIAN, HUBERT**
ARTIST: **RICCARDO ATZENI, SANDRINE REVEL, ZANZIM**

HARDCOVER & SOFTCOVER | 224 PAGES (RED LIGHTNING); 132 PAGES (TALES OF THE CITY); 160 PAGES (A MAN'S SKIN) COLOR | MATURE (16 AND UP) | LGBTQ+, SCIENCE FICTION, FANTASY, SLICE OF LIFE, MEDIA TIE-IN | $59.99

In honor of Pride Month, Ablaze present three titles spotlighting LGBTQ+ themes, characters, and creators.

In ***Red Lightning***: On the morning of January 10, 2016, thirty-year-old Samuel is ready to leave the house and live another day of his ordinary existence. But, as soon as he arrives on the street, he learns about David Bowie's death. The news strikes him so hard that he is stunned, and his are not moments of bewilderment, but hours, days, years, and centuries... he finds himself catapulted across space and time. He awakens hundreds of thousands of years later, in a society of the future, the year 200016.

In ***Tales of the City:*** Anna Madrigal runs a boarding house at 28 Barbary Lane, San Fransico. She welcomes people who have nowhere else to go: the misfits. This matriarch is known for her unending kindness and her superb marijuana crop. The novel starts with the arrival of Mary Ann Singleton, a prudish, naive, young woman who escaped her dull Ohio hometown. She settles in with her other fellow tenants: Michael "Mouse," a personable young gay man, Brian Hawkins, an incorrigible Don Juan, and Mona Ramsey, a young hippyish bisexual.

In ***A Man's Skin:*** Tackling universal themes such as gender, sexuality, LGBTQ+, compassion, religion, and morality through a captivating and subtle fable, Hubert and Zanzimbrilliantly question our relationship to gender and sexuality... but not only that. By mixing religion and sex, morality and humor, nobility and outspokenness, *A Man's Skin* invites us both to the liberation of morals and to the mad and noble quest for love.

WERTHER DELL'EDERA

WRITER: **FRANCESCO ARTIBANI, TIZLANO SCLAVI**
ARTIST: **WERTHER DELL'EDERA**

HARDCOVER | 256 PAGES | BLACK & WHITE | MATURE (16 AND UP) ACTION/ADVENTURE, HORROR, SCIENCE FICTION | $33.50

ABLAZE presents two graphic novels from the award-winning artist and co-creator of *Something is Killing the Children* **Werther Dell'Edera,** collected together for the first time at a special price..

In *He Who Fights with Monsters*, it's World War 2 and the struggle between good and evil is in full force. In Prague, the great Bohemian city is being oppressed by the Nazi occupation and the population lives in terror, while the resistance forces try to organize themselves in the shadows. It is an almost impossible task. With the ruthless SS tightening their grip on every street and neighborhood with overwhelming might, only one hope feeds the struggle. A crazy hope, which rests on the fragile foundations of an ancient, monstrous legend...

In *The Voices of Water*, under a persistent rain, which seems destined to never subside, Stavros lives and moves through the streets of a dark and gloomy nameless city. He has a job and a fiancée; his life is normal. Yet several, different voices talk to him - sometimes whispering, sometimes whining or yelling – whenever he hears the water running. One day, as Stavros wanders the city under a heavy rain, the voices become insistent, revealing his deepest, unspeakable secrets, as well as his dreams and memories. He is tormented by these mysterious voices, perhaps a sign of his madness. Or perhaps of a wider, collective madness, which infects everyone around him, to the point of being transmitted to the entire universe.

CREATOR FEATURE: LISA STERLE

LS: I'm so thrilled to be able to work with Archie Comics on the Wicked Trinity story. I've been a fan of Archie and the gang, and Sabrina since I was young, they were some of my very first comic books. I've also been told before that my art style reminds them a bit of Archie Comics, and I've been known to draw my fair share of magical women and witches so it feels a little like destiny to be able to contribute to the witchy world of Sabrina. Truly a dream come true!

ABOUT THE AUTHOR

Lisa Sterle is the illustrator-creator of the iconic, bestselling Modern Witch Tarot deck, which has been featured in the New York Times, Vogue Italia and Cosmopolitan. She is also the co-creator and artist of the comics *Witchblood, Squad, Long Lost,* and *Submerged.* She has worked with *HarperCollins, Penguin Random House, DC, IDW, Image, BOOM! Studios,* and many others.

The Umbrella Academy has always been extraordinary—ready to leap to superpowered action at a moment's notice. But the only thing Luther, Diego, Allison, Klaus, Ben, and Viktor want is to be normal... which is much easier said than done, when you're raised by someone like Hargreeves. In fact, Klaus knows just the place; there's a frat house in a neighboring college town that throws weekend blowouts. What could go wrong? They soon realize sneaking out of Hargreeves's house—er, fortress—is the least of their concerns. When the six teens pledge not to use their powers under any circumstances, they fail to factor in the sheer force of teen drama. With the chaos and dangers of New York City behind him, Frankenstein's monster begins his journey of discovery and vengeance, descending into the pastoral lands of Pennsylvania. There, among the Amish settlers, Victor finds fellowship and a sense of community he has never known before. But when masked riders strike in the dead of night, intent on driving these peaceful folk from their land, Victor has little time to react when a supernatural juggernaut is unleashed upon the raiders, and the body-count rises! As the mayhem unfolds, the strange guardian begins to blur the lines between the guilty and the innocent... and only the unsteady arm of *The GunHAND* can bring the situation under control! The saga of *The GunHAND* continues from PREVIEWS Editor Marty Grosser and master illustrator Matthew Plog (Kent Menace, Battletech Game Series)! Covers by Matthew Plog and guest artist Barry McClain, Jr. (Billy the Kit)!

(W/A) Andi Porretta

With senior year finally behind them, Cassie and her three best friends are on their way to what's next. Like their parents, the crew has always been inseparable: there's Marcy, the artist, for whom style is self-expression and sarcasm is a love language; Aaron, the future lawyer, whose good humor balances out his competitive streak; Nico, the musician, whose flirtatiousness, obliviousness, and recent interest in a rising senior are becoming increasingly unbearable to Cassie; and of course, Cassie herself, the only one who doesn't have her future all figured out. This summer is their last chance to make memories together in New York City before everyone but Cassie scatters across the globe for college—and she's determined to make the most of it. Her plan? They'll spend August playing the game of dares and risks they invented as kids! From adventurous to outrageous, these dares will definitely make for an unforgettable summer. BOLDLY GO: REFLECTIONS ON A LIFE OF AWE AND WONDER SC

(W) William Shatner

Long before Gene Roddenberry put him on a starship to explore the galaxy, long before he actually did venture to space, William Shatner was gripped by his own quest for knowledge and meaning. Though his eventful life has been nothing short of extraordinary, Shatner is still never so thrilled as when he experiences something that inspires him to simply say, "Wow." Within these affecting, entertaining, and informative essays, he demonstrates that astonishing possibilities and true wonder are all around us. Shatner reflects on what he has learned along the way to his ninth decade and how important it is to apply the joy of exploration to our own lives. Insightful, irreverent, and with his signature wit and dramatic flair, *Boldly Go* is an unputdownable celebration of all that our miraculous universe holds for us. (STL315556) (C: 0-1-0)

(W/A/CA) Owen D. Pomery

Ada, Haika, and Mallic are on a mission. One last mission, before everything, everywhere shuts down. They're raiding old, abandoned spaceships and wrecks for the (sometimes-expensive) parts—and they make just enough money to get by. But living their nomadic, exploring life isn't sustainable when they can't afford fuel anymore. The time is coming when the mineral that makes inter-system jumps possible runs out. When it does, the scattered inhabitants of the vast galaxy will be stuck where they are. Everything will be different... unless the discovery in the latest wreck Ada, Haika, and Mallic are scavenging can unlock a whole new kind of interstellar transit. (STL316021) (C: 0-1-0)

VICTORY POINT GN

(W/A) Owen D. Pomery

On a summer's day, Ellen returns to the coastal town she grew up in: Victory Point. Revisiting old haunts and people from her past, she feels increasingly disconnected from her previous life, and exhausted by her constant struggle to forge a path ahead. Exploring the town, Ellen searches for some comfort in her own history that could give her the strength to move forward in her own life. *Victory Point* explores the concept of how we live and choose to be remembered, asking whether we should strive for a higher calling, or if a simple, domestic legacy is the most honest and admirable achievement we can hope for. Set in a town that is itself an architectural experiment, this graphic novel is a poignant and heartfelt search for meaning in life. (STL316022) (C: 0-1-0)

SC, 7x10, 80pgs, FC.....$16.99

WALKING DISTANCE GN

(W/A) Lizzy Stewart

Merging the personal and the political, observation and contemplation, the author examines what her life is and wonders what it should be; what is expected of a thirty year old woman by society, by family and friends and by herself. She walks the streets of her London, creating it and herself—gaining agency by being in control of her own direction, speed and momentum. Walking is both an internal and external experience. It's a time for self-reflection, for observing others and for imagining how we appear to them. What is expected of a person of our age, sex, and race, and how should that influence what we do and how we feel about ourselves? (STL316020) (C: 0-1-0)

A PILLBUG STORY GN

(W/A/CA) Allison Conway

It's summer in the countryside. The wildlife, down to the tiniest creature, is thriving. It's the New York City of the insect world; a melting pot of bugs, birds, and beasts of all kinds. Millie the pillbug feels like a bug apart. Unlike her friends, Millie needs to stay moist all the time, she doesn't pee, and she's the only vegetarian. How will she ever fit in and find meaning in her short life? The bug world is harsh. One minute you're snacking on a scrumptious aphid, the next you're being eaten alive by your spouse! Plus you've got social drama and your family questioning your 'alternative' lifestyle to deal with. Ugh. With humor, delight, and a touch of terror, NYC-based author Allison Conway brings us a collection of slice-of-life comics about being a young, female isopod in a modern, ever-changing world. RIN TIN CAN VOLUME 2: THE GODFATHER GN

(W) Jean Leturgie, xavier Fauche
(A) Morris

He's the dumbest dog west of the Pecos River, and even when he's not sharing one of Lucky Luke's adventures, he's still a walking disaster! After inadvertently thwarting a convict's escape attempt, Rin Tin Can flees the penitentiary and ends up with two sheep herders who are being targeted by wool thieves. The robbers, Giuseppe and Aldo, are actually looking for a specific sheep skin tattooed with a treasure map, in order to post their father's bail. Unwittingly—as usual—Rin Tin Can becomes first the accomplice of the two not-too-bright brothers, then their "godfather." (STL317716) (C: 0-1-1)

"IT'S THE GREAT STORM, TOM THE DANCING BUG!"

THE COMPLETE TOM THE DANCING BUG, VOL. 8: 2020-2023

Writer and Artist: **Ruben Bolling**

Clover Press's *Complete Tom the Dancing Bug* program bursts forward with the eighth chronological volume, covering all of the most recent installments of the comic strip, a two-time Pulitzer Prize Finalist, from 2020-2023.

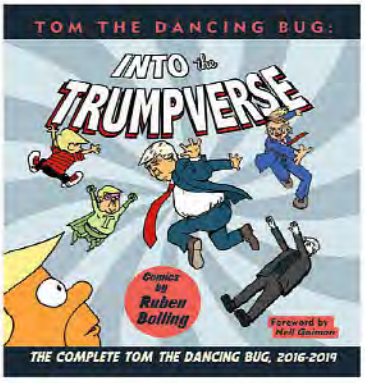

It's the Great Storm, Tom the Dancing Bug! includes Bolling's award-winning work covering the last year of the Trump presidency and the post-term MAGA insanity. All the favorite *Tom the Dancing Bug* characters try to make sense of the dark times of the early 2020s, including: the Smythe family of Chagrin Falls; Lucky Ducky, the poor little duck who's rich in luck; and Billy Dare, boy adventurer. Also in the volume is Bolling's comic contribution to "Weird Al" Yankovic's hit graphic novel, *The Illustrated Al*.

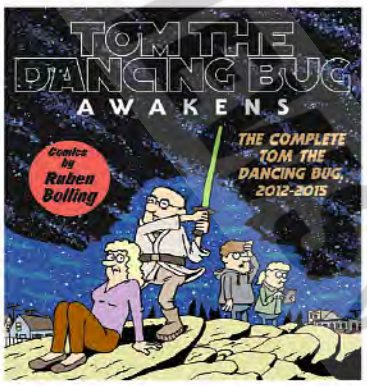

Tom the Dancing Bug is the wildly popular, groundbreaking comic strip that has won multiple awards, including the Herblock Prize, the Berryman Award, and a Robert F. Kennedy Journalism Award. Mark Hamill called it "wondrous, whimsical, and witty," and Seth Meyers recently wrote, "The fact that Tom the bug can keep dancing in this day and age is a testament to Ruben Bolling's skills as a cartoonist!"

ONE FOR SORROW #1

JAMIE McKELVIE IS BACK WITH HIS FIRST SOLO CREATOR-OWNED PROJECT IN OVER A DECADE!

London, 1900. The capital hums with the energy of the new era, but something darker lurks beneath the surface. A monstrous figure stalks the city's criminal underworld at night, leaving a trail of bloody corpses in its wake. Rumors about the mysterious killer spread like wildfire. It's a demon. A phantom. An angel of vengeance.

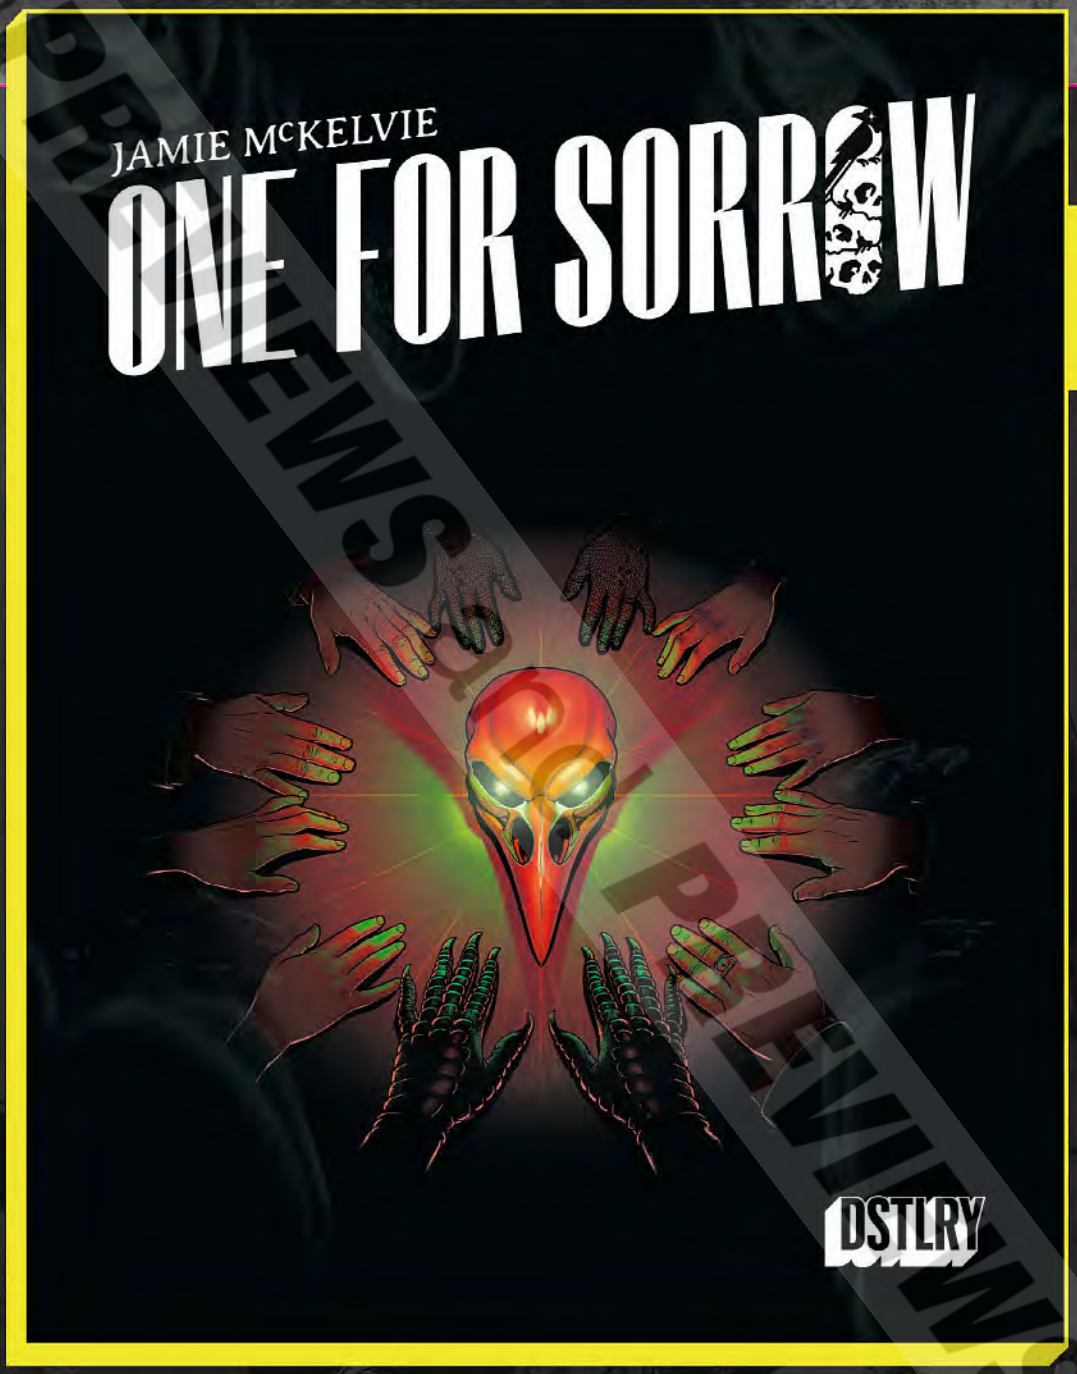

Nothing can kill it. Nothing can stop it. And once it picks a new target, well, he better have a coffin picked out, because he's already dead.

The only clue that a baffled police force has to work with is the black and white feather left on each corpse, leading the press to dub the killer The Magpie. Is The Magpie killing at random, or is there a pattern that no one else can see? Three individuals, strangers to each other, might together have the answer.

The artistic mastermind behind THE WICKED + THE DIVINE, CAPTAIN CARTER, and CATWOMAN: ONE BAD DAY is back with a new comic unlike anything he's created before. ONE FOR SORROW is an intensely stylish, supernatural suspense thriller, full of kinetic action, bloody revenge, and ghostly mystery.

HATE REVISITED #1

By Peter Bagge

$4.99 / Comic book / 24 pgs / FC / 6.6" x 10.3"

Peter Bagge returns to the series that defined a generation with this all-new, four-issue monthly miniseries! Buddy and Lisa, now middle aged with a free-spirited young adult of their own, confront their own poor decisions as young people in the grungy 1990s. Expertly shifting between the present day (in full color) and their Gen X heyday (in glorious, crosshatched B&W), we learn for the first time the story of how Buddy met Lisa, Stinky, George, and Val. Meanwhile, Buddy is forced to come to terms with the tragic — and covered-up — circumstances of Stinky's untimely death (way back in *Hate* #27). *Hate Revisited* expertly showcases Bagge's inimitable humor and knack for character, and the generational shift lends an unexpected gravitas to their lives. This is the must-have comic of the summer!

NEVER AGAIN WILL I VISIT AUSCHWITZ: A GRAPHIC FAMILY MEMOIR OF TRAUMA & INHERITANCE

By Ari Richter

$34.99 / HC / 256 pgs / FC / 7.5" x 10.5"

Ari Richter weaves together the haunting stories of his grand- and great-grandfathers' imprisonment in Dachau and Auschwitz, and his own awakening to the rise of authoritarianism and anti-Semitism. Told from the perspectives of four generations of the author's family, spanning pre-war Germany to post-Trump America, it is both a celebration of Jewish cultural resilience and a warning of democracy's fragility in the face of the seductive forces of authoritarianism. Harrowing and humorous in equal measure, this evocatively drawn graphic novel will be discussed for generations to come.

READY AMERICA

By Anna Haifisch

$19.99 / SC / 48 pgs / FC / 9" × 11.75"

Dogs in colorful sweatshirts, the glowing signs of a Vietnamese restaurant, solitary palm trees above the pavement: *Ready America* takes us on a ride through a both strangely familiar and quite alien Los Angeles. Packaging inscriptions, neon signs, and billboards fuse into an appealing typographic montage while familiar American icons peek out between stores and offices, clinics, and morgues. With her unmistakable wit, Anna Haifisch highlights the idiosyncrasies of a country in which catastrophes seem just as ordinary as the sight of a coyote in the Hollywood Hills.

KATE CAREW: AMERICA'S FIRST GREAT WOMAN CARTOONIST

By Eddie Campbell

$30.00 / SC / 160 pgs / FC / 8.5" × 11"

Kate Carew was America's first great woman cartoonist, drawing for newspapers in the first two decades of the 20th century. She drew Sunday color comics and also interviewed and sketched many of the celebrities of her time including the Wright brothers, Pablo Picasso, champion heavyweight boxer Jack Johnson and the leading figures of the suffragette movement in the years before women won the right to vote. Her most endearing achievement was her cartoon alter ego "Aunt Kate," whom she sketched into the proceedings, turning graphic reportage into her personal adventure from San Francisco and New York to London and Paris.

AND MANKIND CREATED THE GODS GN

(W/A) Joseph Behe

Why does religion exist? Why do people believe? Do all religions start with the same basic idea? These are some of the most fundamental and enduring questions we have about the mysteries of religion, and they may well hold the key to humankind's future on this earth. In this adaptation of Pascal Boyer's classic work exploring these concepts, *Religion Explained*, artist Joseph Béhé harnesses the power of comics to provide clear answers to the basic questions about why religion exists and why people believe. His erudite book is rich with insight into the endless jumble of ideas that inform religious beliefs and practices across cultures. With detailed, illustrative drawings and carefully adapted prose, Béhé's graphic novel brings a new perspective to Boyer's work. (STL298203) (C: 0-1-1)

EVERYTHING EVENTUALLY CONNECTS GN

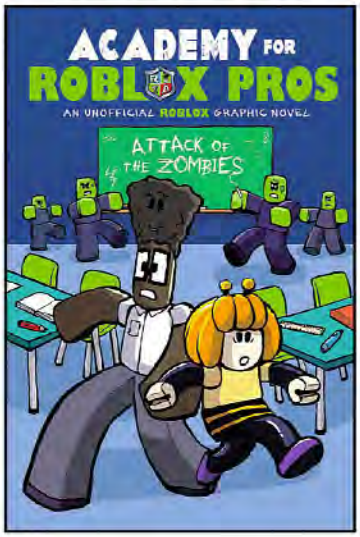

(W/A) Sarah Firth

This is a collection of eight autobiographical visual essays that explore the joys and pains of living in a hypercomplex and uncertain world. In her sprawling and colorful style, Sarah Firth pursues some of life's deepest philosophical questions about happiness, hope, love, sex, death, truth, reality, and the definition of "self." She weaves together a mix of great ideas and silly ones deriving not only from her own lived experience, but also from her daydreams, pop culture memes, and the teachings of science, philosophy, and history. Her musings ultimately lead her to consider how to live more joyously in a troubling world, and how to be more compassionate towards oneself, others, and the planet. (STL298204) (C: 0-1-1)

DEEP DARK GN

(W/A/CA) Molly Knox Ostertag

Magdalena Herrera is about to graduate high school, but she already feels like an adult with serious responsibilities: caring for her ailing grandmother; working a part-time job; clandestine makeouts with a girl who has a boyfriend. And then there's her secret, which pulls her into the basement each night, drains her of energy, and leaves her bleeding. A secret that could hurt and even kill if it ever got out—like it did once before. So Mags keeps her head down, isolated in her small desert community. That is, until her childhood friend Nessa comes back to town, bringing vivid memories of the past, an intoxicating glimpse of the future, and a secret of her own. Mags won't get attached, of course. She's always been strong enough to survive without anyone's help. But when the darkness starts to close in on them both, Mags will have to drag her secret into the daylight, and choose between risking everything... or having nothing left to lose. INDIE EDGE

Please tell us a bit about yourself!

As a neurodivergent artist I'm drawn to exploring the idiosyncrasies of how we attempt to know ourselves and navigate the world, given the contradictions, paradoxes, and complexities that we all embody. I'm a cartoonist, artist, writer, and graphic recorder. You can learn more about me and my work at *sarahthefirth.com*.

What are your favorite projects you've contributed to over the past decade?

My debut graphic novel *Eventually Everything Connects* (JAN248196) is coming out in the US from Graphic Mundi in June 2024, which has been my favorite project thus far! It was also amazing to be published in the Eisner Award-winning *Drawing Power: Women's Stories of Sexual Violence* (JUL191368) anthology, and the Ignatz-nominated *Kuš 42: Science Fact or Fiction* anthology.

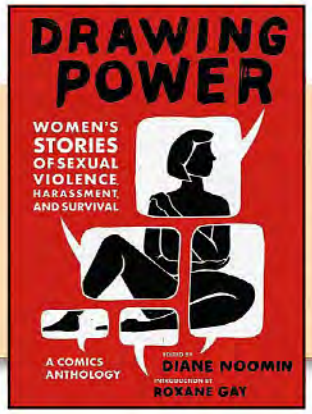

What are you currently working on?

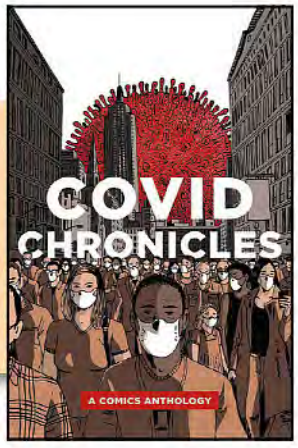

I'm working on my first academic paper that is also a comic. It's about what comics drawing can enable in group settings as a facilitation tool. That will come out in an anthology by *FOLIO: Stories of Contemporary Australian Comics* with Palgrave.

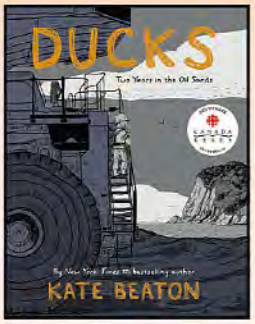

What fun titles are you reading?

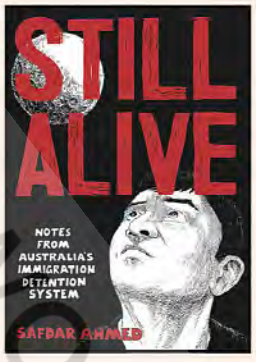

Recently I've enjoyed *Ducks* (JUN221481) by Katie Beaton, *Still Alive* (JUL221501) by Safdar Ahmed, *Our Members Be Unlimited* by Sam Wallman and *Stone Fruit* (JUN221555) by Lee Lai. I'm really excited for the upcoming Tara Booth graphic novel, *Processing*, and am about to read *Dear Mini* (APR231467) by Natalie Norris.

TRISTAN AND LANCELOT: A TALE OF TWO KNIGHTS GN
(W) James Persichetti (A) L S Biiehler
In this queer reimagining of Arthurian legend, Knights of the Round Table Lancelot and Tristan set out on a quest but instead discover an unexpected romance. Merlin is missing, and Camelot is under attack. When King Arthur calls for aid, Morgan le Fay answers her estranged half brother's plea—for a price. She'll locate Merlin in exchange for the mysterious magical sapling their father bequeathed to Arthur on his passing. Much to her chagrin, Arthur insists on sending two Knights of the Round Table with her. Sir Lancelot has carefully built himself a reputation as the most well-liked of Arthur's knights, but he can't crack quiet Tristan's brooding exterior. Sir Tristan is silently battling a curse—one that has bound him to the lady Isolde against his will, and one he grows ever more desperate to break. As the trio journeys through Albion, sparks begin to fly between the two knights. But before they can unravel the tangle of feelings and secrets between them, they will have to face a threat that could destroy all of Camelot—unless they and Morgan can learn to work together to destroy it first. O/A GLADYS PARKER: A LIFE IN COMICS, A PASSION FOR FASHION HC
(W) Trina Robbins (A) Gladys Parker
Cartoonist Gladys Parker was unique in comics. As with Frida Kahlo, it was impossible to tell where her art left off and its creator began. Parker mixed fashion and comics and created classic characters that mimicked her sense of fashion. In fact, Parker was an exact double for her ink-and-paper creation, *Mopsy*. Only Gladys Parker was a fashion designer with a successful line of clothing while at the same time drawing an equally successful comic strip. Parker's dresses bearing the Gladys Parker label were sold at her own New York shop and at high-end department stores across the country. Who better to chronicle the story of Gladys Parker than comics herstorian Trina Robbins, who in the 1960s designed clothes for hippies and rock stars out of her East Village boutique, while drawing underground comix? THE CANNIBAL GN
(W) Solomon Awa, Louise Flaherty
(A) Solomon Awa
Based on an Inuit traditional story passed down orally for generations, *The Cannibal* tells the horrific tale of a family experiencing starvation when the animals they rely on for survival disappear. While the wife stays alive by eating plants she gathers daily, the husband does the unthinkable, resorting to murder and cannibalism. Horrified, and terrified for her life, the wife eventually finds herself alone in camp with her husband, knowing what will happen to her if she does not find a way to escape. Hatching a plan, the exhausted wife embarks on the journey with her murderous husband in pursuit. After safely arriving at a nearby camp, she shares the story of what has become of her camp, and her own children. Soon the husband arrives, and the camp must decide how to deal with the cannibal. Both horrific and poignant, this cautionary traditional story provides a window into the at times harsh realities of traditional life. (STL316067) (C: 0-1-1)

A few hundred years in the future, humans live in a space station far from Earth governed by a cultured multinational corporation. On the surface, everyone seems to be satisfied with this "perfect society" and they are set on pushing their own limitations to become equal to gods. SPICY ZEPPELIN STORIES SC

(W) Will Murray (CA) Mike Symes

For decades, this legendary pulp magazine was believed to be a myth. But it was not. Not exactly. Nor was it real. Back in the 1970s, prolific pulp writer Will Murray—who was not yet prolific—undertook the daunting task of writing the entire first issue of this nebulous non-entity of a magazine. Within these pages you will discover the exciting contents of Spicy Zeppelin Stories, Volume 1, Number 1, October, 1936, just as they would have appeared, if only this magazine ever existed.... Seven slightly salacious stories set during the 1930s, one for each of the dominant pulp genres. Yes, here are thrilling adventure, air-war, mystery, G-Man, Weird Menace, space opera, and even a wild Western yarn. Every one written around an airship of some type. Each penned under spurious pseudonyms. All guaranteed to evoke the grand and glorious era of the Bloody Pulps. (STL316698) (C: 0-1-0)

In partnership with Devolver Digital and Massive Monster, acclaimed writer Alex Paknadel (*All Against All*, *Red Goblin*) and Eisner Award–nominated artist Troy Little (*Rick and Morty vs. Dungeons & Dragons*, *Fear & Loathing in Las Vegas*) comes a deviously delightful, heretic-smashing excursion into the sprawling cosmology of the worldwide, BAFTA–nominated video game phenomenon that IGN calls "adorably demonic"!

In a land pervaded by cruelty and evil, the most innocent among us—young Lamb, the last of their kind—was selected to become a final dark sacrifice. Their death would forever seal the darkest of the Old Gods from our realm and usher in a new age ruled by the four eldritch Bishops of the Old Faith. So Lamb died . . . then forged a deal of their own.

At the crossroads of eternity, Lamb was met by the imprisoned deity known as the One Who Waits, who revealed the lies and distortions of the false prophets who rule the world above.

RESCUE PARTY HC

(W/A) Various

On April 1, 2020, the Instagram account of Desert Island, Brooklyn's celebrated alternative comics shop, put out a call. By then Desert Island had been shuttered indefinitely, and cities all over the world had been locked down as the first wave of the COVID-19 pandemic took hold. "We all need something positive to think about, and a lot of us have time on our hands," the post read. "Who wants to make something?" What happened next was nothing short of remarkable, as hundreds of short comics from more than fifty countries poured into Desert Island's inbox. Some came from notable cartoonists. Most, astonishingly, came from amateur artists just looking for an outlet to create in the midst of tragedy—for a chance to join the rescue party that leads us out of isolation. Collected in this book are more than 140 notable entries from the Rescue Party project, capturing the loneliness and the surprising comforts of early lockdown; the mania of its middle days as the mind begins to fray; and the many paths forward toward humanity's future, as we re-enter a world wracked with injustice. PRE-CODE CLASSICS: GHOST RIDER VOLUME 3 HC

(A) Dick Ayers, Frank Frazetta (CA) Dick Ayers

Created by Dick Ayers and Ray Krank, Rex Fury was originally known as the Calico Kid, who together with his white horse Spectre became the Ghost Rider! Wearing a white outfit covered with phosphorus and using a cape that had phosphorescent on one side and black on the other, he could cover parts of his body to give the illusion that he was merely a floating head or pair of hands. To further the illusion, he wielded a black lariat and black bullwhip—even Spectre glowed in the dark! The Ghost Rider battled many foes who, like him, were not truly supernatural at all, such as an imposter of Frankenstein's Monster and the Harpy, werewolves and vampires! The character was the inspiration for Marvel's Phantom Rider, also co-created by Dick Ayers! Collects *Ghost Rider* #6-14 (March 1953-1954) and *The Calico Kid* #6-10 (May-October 1949). COMPLETELY KAFKA GN

(W/A) Nicolas Mahler

Franz Kafka not only wrote prose, he was also passionate about drawing: at one time, he even said it satisfied him more than anything else. In this graphic biography, acclaimed artist Nicolas Mahler echoes Kafka's own minimalist drawing style in a unique and surprising approach to the great writer's life and work. This bold and sharply funny new look at Kafka is told through Nicolas Mahler's distinctive graphic novel style and minimalist illustrations. Drawing extensively on Kafka's fiction, letters, and diaries, *Completely Kafka* illustrates the major and minor details that formed his life, from struggles with self-doubt and writer's block to a failed plan for a series of cheap travel guides. Full of fascinating details and witty, absurdist illustrations, it's a delightful tribute to one of the world's great writers. (STL316802) (C: 0-1-2)

As an infant, after her parents died, she was adopted into a family where her doting Aunt May and Uncle Ben will always be at the breakfast table. One that includes her idiot brother, Peter Parker, who thinks hiding a spider bite, joining a secret fight club, and becoming a super hero are somehow good ideas. When Wanda's own powers emerge, blood, chaos, and suspicion follow in their wake. But as she harnesses her power under the guidance of Doctor Strange, Peter is standing beside her in the Sanctum Sanctorum. And as they try to protect New York City, the Parker siblings learn that with great powers, there must also come great responsibilities—and greater loss. (STL316650) (C: 1-1-1)

CARTOONS AND ANTISEMITISM: VISUAL POLITICS OF INTERWAR POLAND SC
(W) Ewa Stanczyk
Antisemitic caricatures had existed in Polish society since at least the mid-19th-century. But never had the devastating impacts of this imagery been fully realized or so blatantly apparent than on the eve of the Second World War. In *Cartoons and Antisemitism: Visual Politics of Interwar Poland*, scholar Ewa Stanczyk explores how illustrators conceived of Jewish people in satirical drawing and reflected on the burning political questions of the day. Incorporating hundreds of cartoons, satirical texts, and newspaper articles from the 1930s, Stanczyk investigates how a visual culture that was essentially hostile to Jews penetrated deep and wide into Polish print media. In her sensitive analysis of these sources, the author examines how major satirical magazines intervened in the ongoing events and contributed to the racialized political climate of the time. FROM GUM WRAPPERS TO RICHIE RICH: THE MATERIALITY OF CHEAP COMICS SC
(W) Neale Barnholden
Between the 1930s and the invention of the internet, American comics reached readers in a few distinct physical forms: the familiar monthly stapled pamphlet, the newspaper comics section, bubblegum wrappers, and bound books. *From Gum Wrappers to Richie Rich: The Materiality of Cheap Comics* places the history of four representative comics—*Watchmen*, *Uncle Scrooge*, *Richie Rich*, and *Fleer Funnies featuring Pud*—in the larger contexts of book history, children's culture, and consumerism to understand the roles that comics have played as very specific kinds of books. Examining the bibliographical histories of each title, Barnholden demonstrates how the materiality of consumer culture suggests meanings to comics texts beyond the narratives. (STL314337) (C: 0-1-1)

BROWNSTONE GN

(W) Samuel Teer (A) Mar Julia

Almudena has always wondered about the dad she never met. Now, with her white mother headed on a once-in-a-lifetime trip without her, she's left alone with her Guatemalan father for an entire summer. Xavier seems happy to see her, but he expects her to live in (and help fix up) his old, broken-down brownstone. And she must navigate the language barrier of his rapid-fire Spanish—which she doesn't speak. As Almudena tries to adjust to this new reality, she gets to know the residents of Xavier's Latin American neighborhood. Some can't understand why she doesn't know where she comes from. Others think she's "not brown enough" to fit in. But time is running out for Almudena and Xavier to get to know each other, and the key to their connection may ultimately lie in bringing all these different elements together. Fixing a broken building is one thing, but turning these stubborn individuals into a found family might take more than this one summer. (STL316286) (C: 0-1-0)

(W) Sangu Mandanna

kids COMICS

For all of her twelve years, Jupiter Nettle has wanted to attend one of the Seven Schools of Magic. When she finally gets the call to take the entrance exam, she shocks everyone with her magic skills... but not in the way she'd hoped. Failing spectacularly in one test after another, Jupiter goes home dejected and confused. What will she do now? That night, Jupiter gets an unexpected visitor and, amazingly, another chance at the Seven Schools! But learning magic isn't what she expected it to be... the School of Earth Magic is looked down upon by others, it doesn't involve cool spells, and her teacher, Professor Grim, certainly lives up to his name. Jupiter works hard, but the doubts in her mind shake her confidence until she's ready to give up. Then an age-old enemy returns to exact revenge on the Seven Schools, leaving Jupiter to finally find the courage and magic that's been within her all along. (STL316686) (C: 1-1-1)

"A hunger... Hunger like you've never known..." The discovery of a partially eaten corpse on the side of a road relights a smoldering obsession within paramedic Ruth Saran—who killed her husband? Her quest leads her into the Scottish highlands and deep into danger—as she approaches a deadly reckoning with a family of killers who share a strange and grisly secret. WILLIAM MORROW

SPOTLIGHT ON

HEAVYWEIGHT: HEAVYWEIGHT: A FAMILY STORY OF THE HOLOCAUST, EMPIRE, AND MEMORY SC

(W/A) Solomon J Brager

Solomon Brager grew up with accounts of their great-grandparents' escape from Nazi Germany, told over and over until their understanding of self was bound up with the heroic details of their ancestors' exploits. Their great-grandmother related how her husband, a boxing champion, thrashed Joseph Goebbels and cleared beer halls of Nazis with his fists, how she broke him out of an internment camp and carried their children over the Pyrenees mountains. But that story was never the whole picture; zooming out, everything becomes more complicated. *Heavyweight* asks us to consider how the patterns of history emerge and reverberate, not as a simple chain of events but in haunting layers. Confronting the specters of violence as both historian and descendent, this book is an exploration of family mythology, intergenerational memory, and the mark the past makes on the present. THE PROTECTORATE OF JENULANE SC

(W) Nick Baran (A) Matt Stikker
Standing proudly at the top of a rising craggy knoll, the Tower of House Jenulane was once a bastion of strength and protection for the surrounding lands.
