THIS MONSTER, THIS MAN!

Doctor Doom has taken over the world, and Earth's mightiest heroes have failed twice: first to stop him, and now to overthrow him. But the Fantastic Four know Doom better than anyone, which makes them ideally suited to take on Earth's new Emperor...except for the fact that he knows THEM just as well. As Reed Richards, Ben Grimm, and Sue and Johnny Storm prepare to face down Doom at the United Nations, Doom pays a secret visit to speak to the only person on Earth who holds both his favor, his respect...and his love. But can Valeria Richards change her uncle's mind? And if she fails, what will stop Doom from visiting a shocking fate on the Fantastic Four that not even he can undo?

And, as the Avengers reel from their losses, the course of the Marvel Universe will change – and Marvel's First Family won't be the same!

HAS CABLE'S TIME FINALLY RUN OUT?!

In the slums of Salvation Bay, a hero fights for their life as the Techno-Organic virus has claimed its latest victim. Cable and Resistance leader Avery Ryder had found comfort in each other's arms as they faced the virus together – but is that same bond strong enough to cheat death itself? And even if Cable and Avery manage to survive their shared affliction, will they be able to pull off a suicide mission in the heart of the corrupt Prime Conclave's headquarters? Only one thing's for certain – when the dust settles on this pulse-pounding issue, the fallout will shake this sci-fi love story to its very foundations!

No never-before-seen Exceptional X-Men to see here! Except Kate's continued attempts at living a normal, non-mutant life go laughably wrong as she finds herself in the middle of a brawl started by a couple of headstrong teens with remarkable abilities — which, of course, they're terrible at controlling. She's sworn off being anybody's teacher, mentor, professor, sensei or anything that reminds her of her old life. But will the White Queen force her hand? Collecting EXCEPTIONAL X-MEN #1-5.
